- i. During evaluation of the tenders, the Bureau may at its discretion, ask the Bidder for clarification of his tender. The request for clarification and the response shall be in writing and no change in the prices or substance of the tender shall be sought, offered or permitted.
- ii. No Bidder shall contact the Bureau on any matter relating to his tender from the time of the tender opening to the time the contract is awarded. If the bidder wishes to bring additional information to the notice of the Bureau, the same should be done in writing.
- iii. Any effort by the Bidder to influence the Bureau in the Bureau's tender evaluation, tender comparison or contract award decisions may result in the rejection of the Bidders' Bid.

9. Preliminary Examination

The Bureau will examine the tenders to determine whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.

- i. The Bureau may waive any minor informality, nonconformity, or irregularity in a tender, which does not constitute a material deviation, provided it does not prejudice or affect the relative ranking of any Tenderer.
- ii. Prior to the detailed evaluation, the Bureau will determine the substantial responsiveness of each tender with reference to the Tender Documents without material deviation.
- iii. If the tender is not substantially responsive, it will be rejected by the Bureau and may not subsequently be made responsive by the bidder by correction of the nonconformity.
- iv. Tenders qualifying by such vague and indefinite expression such as “subject to immediate acceptance” “subject to prior sale” and conditional tenders will not be considered.

10. Evaluation and Comparison of Tenders

- i. The Bureau will evaluate and compare the tenders, which have been determined to be substantially responsive.
- ii. Rates should be quoted F.O.R. at ICAR-NBAIR, Hebbal, Bengaluru. Taxes and other incidentals should be included in the price. L-1 bidder will be determined on the basis of cost inclusive of all taxes out of the substantially responsive bidders. Taxes if any should be mentioned properly.

11. Contacting the Bureau

- i. No Bidder shall contact the Bureau on any matter relating to the tender, from the time of the tender opening to the time contract is awarded.
- ii. Any effort by Tenderer to influence the Bureau in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the bidders offer.

12. Award Criteria:-

The Bureau will award the contract to the successful Tenderer whose tender has been determined to be substantially responsive and is to be the lowest evaluated tender, provided further that the Tenderer is determined to be qualified to perform the contract satisfactorily.

13. Bureau’s Right to accept any Tender and to Reject any or all Tenders:-

The Bureau reserves the right to accept or reject any tender, and to annul tender process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected Tenderer or Bidders or any obligation to inform the affected Tenderer or Bidder of the grounds for the Bureau's action.

14. Notification of award:-

- i. Prior to the expiration of the period of tender validity, the Bureau will notify the successful bidder online.
- ii. The notification of award will constitute the formation of the contract.

15. Standards:-

Literature relating to the offered material should be enclosed along with the bid in the sealed cover.

16. On-site Engineer:-

One service provider (onsite engineer) with his/her name and address may be required exclusively to attend the services at this Bureau during office hours.

The cost of transportation for the spare parts(if any) shall have to be borne by the bidder.

18. Warranty

- i. One year warranty should be given to the spare parts and accessories
- ii. Maintenance includes all kind of electrical, electronic, mechanical components already available with the systems.
- iii. The AMC period will be for one year from the date of issue of Comprehensive Annual Maintenance Contract Oder.
- iv. Distilled water should be replenished in the batteries attached to UPS at free of cost at regular intervals and as and when required.

19. Payment:-

- i. No advance payment shall be made.
- ii. Payment will be made on quarterly basis by e-payment or electronic transfer, for which, the firm should provide bank & branch name, its IFS Code, SWIFT code, MICR & IBAN (if applicable) and Account number as per the proforma for arranging payment. The payment will be made after satisfactory completion of service. The bidder will furnish manufacturer's Test Certificate, Original invoice along with challan to the consignee.

20. Subcontracts:-

The service provider shall notify the Bureau in writing of all subcontracts awarded under this contract, if not already specified in the tender. Such notification, in the original tender or later, shall not relieve the service provider from any liability or obligation under the contract.

21. Delays in the Service provider's Performance:-

- i. If at any time during performance of the contract, the service provider or his sub contract(s) should encounter conditions impeding timely delivery of the goods and performance of services, the service provider shall promptly notify the Bureau in writing of the fact of the delay, it's likely duration and its cause(s). As soon as practicable after receipt of the service provider's notice, the Bureau shall evaluate the situation and may at his discretion extend the service provider's time for service.

22. Liquidated Damages:-

If the service provider fails to deliver any or all of the goods or to perform the services within the time period(s) specified in the contract, the Bureau shall, without prejudice to other remedies under the contract, deduct from the contract Price, as liquidated damages, an amount equivalent to 0.25% of the delivered price of the delayed goods for each week of delay or part thereof (subject to the ceiling of 10% per annum) beyond the original contract delivery date/the last unconditionally re-fixed delivery date (as & if applicable) will be recovered as liquidated damages.

23. Termination for Default:-

- i. The Bureau, without prejudice to any other remedy for breach of contract, by written notice of default sent to the service provider, may terminate this contract in whole or in part.

- a. If the service provider fails to deliver any or all of the goods/ services within the period(s) specified in the contract, or within any extension thereof granted by the Bureau;
OR
- b. If the service provider, in the judgment of the Bureau has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
 - ii. In the event the Bureau terminates the contract in whole or in part, the Bureau may procure, upon such terms and in such manner, as it deems appropriate, goods or services similar to those undelivered, and the service provider shall be liable to the Bureau for any excess costs for such similar goods. However, the service provider shall continue performance of the contract to the extent not terminated.

24. Termination for Insolvency:-

The Bureau at any time may terminate the contract by giving written notice to the service provider if the service provider becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the service provider, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Bureau.

25. Termination for Convenience:-

- i. The Bureau, by written notice sent to the service provider, may terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Bureau's convenience, the extent to which performance of the service provider under the contract is terminated, and the date upon which such termination becomes effective.
- ii. The spares that are complete and ready for dispatch within thirty (30) days after the service provider's receipt of notice of termination shall be accepted by the Bureau at the Contract terms and prices. For the remaining Goods, the Bureau may elect:
 - a. To have any portion completed and delivered at the contract terms and prices;
and/or
 - b. To cancel the remainder and pay to the service provider an agreed amount for partially completed stores.

26. Resolution of Disputes:-

In case of any dispute, the matter shall be referred to court having their jurisdiction at Bengaluru only.

27. Taxes and Duties:-

The service provider shall be entirely responsible for payment of all the taxes like VAT, Sales Tax etc. The consignee will furnish necessary certificate for Road permit and exemption of Octroi when ever applicable at the request of service provider as the stores is meant for use by the Govt. Department and not for sale.

Instructions for Online Bid Submission:

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrollment” on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify/TCS/nCode/eMudhra etc. but not limited to), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / Password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please

note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and Content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
4. Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered /given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
5. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
6. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

7. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
8. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
9. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
10. The scanned copies of following documents must be submitted with the online bid in two packets:

The Packet-1 should contain documents as per list in Para 5.1 (Technical Bid)

The Packet-2 should contain Price Bid / BOQ

ASSISTANCE TO BIDDERS

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority or the relevant contact person indicated in the tender.
