

SWACHHTA HI SEWA ACTIVITIES UNDERTAKEN IN ICAR-NBAIR, BENGALURU

Swacchata Hi Seva 2019 awareness campaign on plastic free environment and mobilized at ICAR-NBAIR from 11.9.19 to 2.10.19. The campaign started with an Oath taking ceremony by all staff of ICAR_NBAIR. Programs like poem writing and oral speech competitions were arranged, on plastic waste management. On 01/10/2019 a special guest lecture was arranged on the topic, "Gandhian Principle and How to Implement Swachh Bharath in Our Work Place". The chief guest was Mr. M. Santhosh Kumar, Asst. Director, Dept. of Solar Energy, Mahatma Gandhi Institute of Rural Energy & Development. He elaborated about the importance of segregation of bio-degradable waste and non-biodegradable waste like plastics. He explained about the health hazardous and environmental pollution because of the usage of plastics in our daily life and he mentioned how we can avoid plastics. He also suggested to go for recycling of waste at the office as well as at home.

Prizes were distributed for the winners in the poem writing competition about 'Swachh Bharath' and Elocution competition about 'Plastic waste management'. All the staff of ICAR-NBAIR actively participated in the cleaning activities and all the competitions organized in **Swachhta Hi Sewa** campaign.
