

MGMG Fields visits during November, 2021

Dr. Richa Varshney, Scientist, ICAR-NBAIR along with Dr. Y. Lalitha, CTO visited Kulumedoddi village on 24th November, 2021

Village: Kulumedoddi, Kanakapura Taluk, Ramnagara District

Crops: Majorly Mulberry, Ragi & mixed cropping

No. of farmers interacted: 16 no.

Land holding: 24 Gunthas to 2 acres

Acers covered: 16 acres 35 gunthas / 6.54 hectares

Supplied material and demonstration: Farmers were sensitized to use of Uzi fly traps and importance and release of trichocards and Chrysoipids

Uzi Fly Pheromone traps (15 no.) and demonstrated the method of use

Trichogramma chilonis cards (30 no.) supplied to 10 farmers and demonstration the release method to manage leaf roller in Mulberry.

Distribution and demonstration of Uzi fly trap, Trichocards and Chrysoipids at Kulumedoddi, Kanakapura Taluk, Ramnagara District

Dr. Richa Varshney, Scientist along with Dr. R.S. Ramya, Scientist, ICAR-NBAIR and Dr. Y. Lalitha, CTO visited Kadasegenahalli (Adjacent to Talahalli) village and Thoudanahalli (Adjacent to Talahalli) on 30th November, 2021

Date: 30th November, 2021

Village: Kadasegenahalli (Adjacent to Talahalli), Chikkaballapur Taluk & District

Crops: Majorly Mulberry, Vegetables, Ragi & mixed cropping

No. of farmers interacted: 10 no.

Land holding: 1 – 4 acres

Acers covered: 18 acres / 7.2 hectares

Supplied material: Farmers were sensitized to biological control and its role in IPM.

Uzi Fly Pheromone traps (10 no.) and demonstrated the method of use

Trichogramma chilonis cards (2 no.) supplied to one farmer and demonstration the release method

Village: Thoudanahalli (Adjacent to Talahalli), Chikkaballapur Taluk & District

Crops: Majorly Tomato cultivation

No. of farmers interacted: 16 no.

Land holding: 0.5 – 3.5 acres

Acers covered: 22.23 acres / 8.892 hectares

Supplied material: Farmers were sensitized to use of Uzi fly and *Tuta absoluta* traps and importance and release of trichocards.

Tuta absoluta Pheromone traps (200 no.) and demonstrated the method of usage

Trichogramma chilonis cards (2 no.) supplied to one farmer and demonstration the release method.

Distribution and demonstration of *Tuta absoluta* pheromone traps and Trichocards at Kadasegenahalli and Thoudanahalli Village, Chikkaballapur
