

Monsoon Picnic at ICAR-NBAIR, Yelahanka Campus

We joyously celebrated the Monsoon Picnic at the serene ICAR-NBAIR, Yelahanka campus, graciously hosted by the Staff Welfare Association. This delightful event took place on the 15th of August 2023, with a theme encouraging attendees to wear comfy green attire, perfectly in tune with the refreshing monsoon ambiance. Special recognition and gratitude go to Mrs. Shabana (Sister of Ms. Naziya Anjum) for her exceptional efforts in adorning the venue with a captivating monsoon theme, setting the stage for a memorable day.

Our gathering commenced with a soothing Scenic Nature Walk, where attendees could immerse themselves in the beauty of nature. This leisurely stroll allowed everyone to unwind amidst the lush green surroundings, enabling them to breathe in the revitalizing monsoon air. It was a harmonious communion with nature that left all participants refreshed and invigorated.

The day was brimming with a diverse array of games and activities tailored for individuals of all ages, including children, men, women, couples, and families. From thrilling contests to a captivating musical ball, attendees enthusiastically participated, vying for the chance to win fabulous prizes.

A highlight of our gathering was the mouthwatering Monsoon-themed Lunch, made possible through the generous sponsorship of our newly appointed Heads of Departments: Dr. Joshi from GCC, Dr. Venkatesan from GCR, and Dr. Kesavan Subaharan from DGCU. This delectable feast immersed us in the flavors of the monsoon, a culinary delight that left taste buds dancing.

The Monsoon Picnic was more than just an event; it was an opportunity for our members to step out of the office and into a world of camaraderie. It offered a unique chance to strengthen the bonds within our organization as attendees connected with their colleagues and their families. The program was skillfully organized by a dedicated SWA team, including Ms. Naziya Anjum, Ms. Uma Ravi, Ms. Sanjeevani Desai, Mr. R. Ravindran, Mr. Maruthi Mehant, Dr. B. Gotyal, and Dr. Deepa Bhagat. Their hard work and dedication ensured the event's success and the creation of cherished memories.

In closing, the Monsoon Picnic was a resounding success, thanks to the participation and enthusiasm of our ICAR-NBAIR family. We look forward to future gatherings that will continue to strengthen the bonds of friendship and camaraderie within our organization.
