01.	Date:	22.09.2024
02.	Event Conducted:	Mega Cleanliness Drives with citizen participation & partner mobilization By integrating citizen participation with partner mobilization, these Mega Cleanliness Drive aim to tackle general swachhata challenges across local bodies through active involvement of citizens and partners from various sectors. cleaning activities are as follows: I. Offices & institutional buildings II. Commercial and Market areas III. Educational institutions IV. Public transport hubs, major roads & highways, railway tracks V. Sanctuaries, zoo areas, trekking and camping sites
03.	Brief Description of the event	ICAR-National Bureau of Agricultural Insect Resources, Bengaluru organised ‘Mega Cleanliness Drives with citizen participation and partner mobilization’ programme on the eve of ‘SWACHHATA HI SEWA PROGRAMME’ on 22 September 2024 at ICAR-NBAIR. The staff of the Bureau, along with students and volunteers from the public, carried out cleanliness drives across the campus, cleaning the parking lots, glass house experimental chambers and backyards of office buildings. From the collected litter, debris and garbage, plastic items were separated and disposed of separately. Then they moved to the nearby public transport bus stop and cleaned and also interacted with the public and created awareness about the “Swachhata Hi Sewa” Programme.
