

Report on Khet Bachao Abhiyan Programme Conducted at two villages such as Kottige Manchenahalli village and Mallasandra village, Doddaballapura Taluk Karnataka on 15 June 2026

On June 15, 2026, ICAR-NBAIR conducted a “Mera Gaon Mera Gaurav” (MGMG) and “Kheti Bachao Abhiyan”, awareness programmes at Kottige Manchenahalli village and Mallasandra village, Doddaballapura Taluk. The event organised to create awareness to the farmers on balanced use of fertilizers and other inputs for sustainable agriculture. Approximately 806 farmers from two villages attended this program (Male = 428, Female = 378). The team of ICAR-NBAIR Scientists and technical officer, effectively involved in this awareness program. Discussions covered about soil health, application of biofertilizers and natural farming. Farmers showed keen interest for balanced biofertilizers and soil health.
