

Report on Khet Bachao Abhiyan Programme Conducted at three villages such as Balakuri, Ittikalagram, Moongilpudur in Krishnagiri District, Tamil Nadu on 17 June 2026

Under the Khet Bachao Abhiyan, scientists from ICAR-NBAIR, Drs M Mohan, N.N. Rajgopal visited three villages namely Balakuri, Ittikalagram, Moongilpudur in Krishnagiri District, Tamil Nadu , on 17.06.2026. During the visit, the team interacted with farmers and emphasized the importance of the balanced use of fertilizers and regular soil sampling and testing for sustainable crop production and improved soil health. The scientists also provided guidance on adopting scientific nutrient management practices to enhance crop productivity. The team also visited villages where farmers had raised the green manure daincha crop, following advice previously given by the bureau's scientists.
