

Celebration of Women Farmer's Day on 15th October 2026 at ICAR-National Bureau of Agricultural Insect Resources, Bengaluru – 560 024

National Women Farmers' Day (Rashtriya Mahila Kisan Diwas) celebrated on 15th October 2026 at ICAR-NBAIR, Bengaluru. Around 15 farmers from Doddaballpur , Bangalore Rural district attended this program. Dr. T. Venkatesan , Director (A) addressed the gathering and emphasized upon the importance of women role in agriculture and women friendly technologies for easy adoption in biological control of crop pests. Biological control of crop pests, pheromone traps and application of bio-pesticides and use of insect predators and parasitoids were demonstrated to the women farmers. Inputs contains seeds, biocontrol agents, biopesticides and pheromone traps provided to the women farmers. Women farmers expressed about their achievements in farm production by applying biological control in pest management in maize, ragi crops.
