The Vigilance Cell also observes **Vigilance Awareness Week** every year in the month of November, promoting awareness among the public, school children, and others about vigilance and anti-corruption measures.

Vigilance Awareness Week

Vigilance Awareness Week is one of the Participative Vigilance initiatives of the Central Vigilance Commission in the fight against corruption. It is an awareness building and outreach measure which aims to bring together all the stakeholders. It is observed to create greater sensitivity about the need for ethics and transparency in governance and public administration. The Commission endeavors to promote integrity and eradicate corruption with the active support and participation of all citizens. For the past three years, there has been a campaign in the run up to the week with preventive vigilance initiatives as focus areas. Every year Vigilance Awareness Week is observed in the week in which the birthday of Bharat Ratna Sardar Vallabhbhai Patel falls in.

Vigilance Awareness Week 2025

This year, the Commission has decided that Vigilance Awareness Week 2025 would be observed from 27th October 2025 to 2nd November 2025 on the following theme:

“सतर्कता: हमारी साझा जिम्मेदारी”
“Vigilance: Our Shared Responsibility”

As a prelude to Vigilance Awareness Week 2025, the Commission has desired that all organizations may undertake a three-month campaign (18th August 2025 – 17th November 2025) on Preventive Vigilance with focus on five areas as specified in the Circular No. 04/08/25 dated 01.08.2025.
